In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Account Regulations and to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met with or to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
