### Volunteer Activities in March 2019

#### Work Party Report at Cricket Pavilion.

A fine team of six volunteers turned up with myself and Maureen leading the work.

Cleared huge amount of leaves and other stuff to enable grass seeding and bulb planting at the side of new tarmac area.

Spread soil on bare patches around log —to be seeded in late Spring. Still soil left for future hole filling etc.

Cleared undergrowth at Acer ready for mulching.

We met Amanda who will work on her garden at the rear of the Pavilion but we will help at future dates.

#### 27th April work party

With fine weather to help us we (four volunteers) managed to clear the South Links wildflower meadow and ready for new plants. We also cleared weeds and mulched under trees.

## Opening of General Maczek Walk

*Reported in The Courier, extract below:*

Lord Fraser's widow, Lady Fiona, officially opened the General Maczek path at a gathering held by The Friends of the Meadows and Bruntsfield Links (FoMBL), attended by members of the General's family and the Polish Consul General in Edinburgh.

FoMBL worked with the late Lord Fraser of Carmyllie on his project to create a bench featuring General Stanislaw Maczek to mark the contribution he and Polish armed services gave in World War Two. Little was known of his wartime activities in Scotland until his death in 1994, when Lord Fraser represented the UK Government at his funeral and heard for the first time about his achievements. That led to the launch of the campaign to recognise the General's heroic war achievements in the city that was his home for the last 50 years of his life. The memorial was originally to be sited in the Edinburgh Meadows but was moved when legal doubts were raised over the location and last November it was unveiled in the courtyard at the entrance to the City of Edinburgh Council Chambers on The Royal Mile.

FoMBL still felt the need for some remembrance of General Maczek on the Links in the capital and worked with local councillors to have the path named after him. The route is a path starting outside the croquet club pavilion and to Leamington Walk in the Meadows, along which General Maczek used to go with his daughter while living in Marchmont.

General Maczek played a key role in the Battle of Normandy, preventing the retreat of thousands of German soldiers at the Falaise Pass, and liberated parts of France, Belgium and Holland. He was stripped of Polish citizenship by the Communist government after the war, compelling him to stay in Scotland, but since he was not considered an Allied soldier was also refused a military pension and denied combatant rights, working as a barman in an Edinburgh hotel to make a living.

### **Tulips in Bloom**

The General Maczek Walk is decorated with two tubs of special Dutch tulips, created in memory of the man who was instrumental in the liberation of Holland from the Nazis.

**Spring Gathering**

On 25 March at the beautiful Barclay Viewforth Church, we had a most fascinating talk from Neil Laird (who has written a book on this subject) about the history of golf on Bruntsfield Links, and he was able to show us old photographs and paintings of buildings and views of the area from long ago.

**Tree Planting for Birds and Biodiversity**

The trees and saplings are coming on well, cared for by local people. The fence is temporary until the trees are established.

## **Sheep Used to Graze in the Meadows**

A pop-up sheep installation on 4 May, when we also painted notices to remind people not to burn the grass. They can be seen all round the park.

## **Community Tree Fund**

There has been money available from this fund which FoMBL can use to plant a new rowan tree near Heather's Goodare's house, to commemorate Heather's contribution to FoMBL. This will replace the one which was blown down.

## **Project Update**

I have received many comments regarding the Nelson pillar board and am now in the process of finalising the text.

We have been offered £4,000 from Forbes nursery to part-fund new play equipment - this was in response to an email I sent requesting a contribution so I was very surprised at the amount offered.

## **Historic Lamp-posts**

One of our perceptive members noticed that the lamp-posts on Melville Drive are not actually ordinary lamp-posts, but are originally the supports for the wires for the tram-line which used to run along that street. Unlike most other lamp-posts they are arranged in pairs opposite each other, rather than alternating, which was the clue to their purpose. We contacted Edinburgh World Heritage, who have shown their interest in this 'vital part of the history of the city', and they will ensure that the council lighting department will take appropriate care of the lamp-posts, which are obviously quite old, and are getting a bit rusty.

# Meadows Festival 2019 - FoMBL Stall

The FoMBL stall was set up in the Information Tent, sharing a table with Merchiston Community Council. Alison and Sarah from FoMBL were able to spend time at the stall on Saturday and Sunday, to give information to passers-by about the work we do to help care for the Meadows and Bruntsfield Links, and even gained a new member! The Edinburgh University Engagement Manager stopped to talk about how to get more students involved in volunteering. So a great success, and mostly lovely weather.
