

## What now for the Sick Kids?

Dear Neighbour

You will probably be aware that the newly constructed **Royal Hospital for Sick Children** at Little France is due to open in the autumn of 2017

This will leave the present site open for redevelopment - a process which will have a major impact on the local area and on the people who live and work here

A group of local residents have set up the **Planning Action Group for the Sick Kids site (PAGSK)**  
To follow progress - PAGSK would welcome input from  
Individuals and Local Groups
