Confessions of a personal Trainer	Katie Kopajtic, a personal trainer from New York, is bringing her show, "Confessions of a Personal Trainer" to the Edinburgh Festival Fringe for the first time this year, and to kick off the festival, she is offering a free half hour workout for fringe performers. The performers will be identified by their fringe passes, they will be asked to show up at 9:45 am and the workout will begin at 10am. No step up or take down will be needed since the only piece of equipment used will be a bullhorn and possibly a step-stool so Katie can observe the crowd.	04 August 2017	04 August 2017	04 August 2017	04 August 2017	Paper Rose PR

Woodland Tribe	The Pavilion Café on the Meadows in Edinburgh in partnership with Woodland Tribe are proposing a unique event for children and families outside the cafe in August 2017. Woodland Tribe are a not-for profit CIC (Company Number 10502214) and the UK masters of constructive play for children. They have been selling out major festivals (Brighton Fringe, Green Man, Shambala) in the UK for the last four years, are fully insured and work with comprehensive risk assessment/site safety and methodology plans. See more on our website http://woodlandtribe.weebly.com/ To fully understand Woodland Tribe's concept of adventure play please watch their video https://vimeo.com/180159989 This was filmed last year at Camp Bestival where Woodland Tribe have been working in partnership with the National Trust since 2015. Woodland Tribe have been looking for a suitable location in Edinburgh for the last two years and believe the Pavilion Café on the Meadows is perfect to promote outdoor and natural play, for children to enjoy a unique play experience and parents to either watch and relax or join in! We are proposing to use the fenced area that is already a children's area at the rear of the Pavilion Café. For 6 days (11th-16th August 2017) children and families will be able to create their own adventure play space. Closely supervised by the Woodland Tribe team children and parents will be able to hire tools to build their play dreams. Woodland Tribe CiC's mission is to promote adventure play to as wide an audience as possible that is our primary motivation for being at the Pavilion Cafe in Edinburgh during 2017. Woodland Tribe and Pavilion Cafe would charge families a hire charge on tools to cover staffing costs and other logistics. Woodland Tribe are a Community Interest Company so any profit from this event would be ploughed back into the company to further promote play in the UK. However it is unlikely that the event would make enough money to pay the Council rental charge of £391 a day. We are hoping that as we are proposing using land already assigned by the Council to the Pavilion Cafe and because we are promoting children's play in line with the Council's Play Strategy, that this charge can be wavered or negotiated down. The Pavilion Café have sought initial permission from Friends of the Meadows and Bruntsfield Links who are supportive of this children's play initiative. City Ride	This is a new event and is a partnership with the Council, British Cycling, Scottish Cycling and HSBC. It is part of a national series of new mass cycle rides in cities across the UK, to be called City Rides. The idea is very similar in concept to the Sky Rides previously held in Edinburgh, Glasgow and Elsewhere. It is a family-friendly "reclaim the streets" cycle ride through closed roads in the city centre, and is not a race. The route is pre-determined by the existing road closures for the Tour of Britain event, from which the City Ride will follow on. The Meadows is the only open space on the route which is sufficiently large to accommodate the associated infrastructure for the event, eg portaloos, registration point, marshalling areas, etc. Accurate times are not yet known but the event itself will take place on the closed public roads from approximately 12000 to 2pm. Should there be a requirement for any vehicle movements on the grass (eg for the delivery of portaloos) then the grass will be protected with appropriate tracking. This will be a not for profit event, funded by the Council and free to enter.	02 September 2017	03 September 2017	03 September 2017	03 September 2017	City of Edinburgh Council

Edinburgh Fresher's Fair	We would aim to provide local and independent businesses the opportunity to showcase themselves during the fresher's period as to help better integrate both new and existing students into the City of Edinburgh. To do this, we would like to hold a one day event in the Meadows, either during the Fresher's week as to appeal to those who may not know Edinburgh that well.	12 September 2017	13 September 2017	13 September 2017	14 September 2017	Oliver Ebbage / Isaac Duffy
